New Designers Series "Carolina Panago"

Carolina Pagano, a luxury shoe line, is proudly made in Brazil. The brand produces high-quality shoes with personality, bringing a sexy Brazilian flair to the feet of contemporary women throughout the world, allowing them to transform themselves with a new shoe experience. Carolina Sadowski, the designer behind the collection, took her maternal grandmother's name and established the company in 2006. Her intimate knowledge and attention to detail gives each model's the highest quality construction and exquisite workmanship. For more information or to see photos of the collection, please visit us online at www.carolinapagano.com.

This new designer Carolina Sadowski reflects a new direction for Spring 09. The fresh colors and practical sexy shapes are fascinating. These shoes made for fun and function show a quality level seen at much higher price points. Great shoes are hard to design but great shoes that reflect reasonable prices are the rarity. Check for Carolina Pagano at a better store near you. Enjoy-Shoes designershoesblog.com Bill Dowling
